

## Island Properties Privacy Policy

### What data do we collect?

Island Properties collects the following data:

Personal identification - name; address, email address; phone number

### How do we collect data?

You directly provide Island Properties with the data we collect. We don't source any data from other methods.

### How will we use your data?

If you request we add your name and email address to our mailing register to inform you of new properties on the market.

If you sell or purchase a property then Island Properties will use your name, address, phone number, emails address and your Solicitor's details to instruct Solicitors.

### Marketing

If you request we will send you information of the properties we have for sale.

We only add your email address to our mailing register if you ask us to. You have the right at any time to stop Island Properties from contacting you for marketing purposes.

### What are your data protection rights?

You have the right to request Island Properties for copies of your personal data.

You have the right to request Island Properties to correct any information you believe to be inaccurate or incomplete.

You have the right to request Island Properties to erase your personal data.

You have the right to request Island Properties to restrict processing of your personal data.
